SKILLS

- **Languages:** C++, Java, Python
- **Frameworks:** HTML and CSS, Django Framework
- **Tools/Platforms:** PostgreSQL, Nmap, Wireshark, Metasploit, Git, GitHub,
- **Soft Skills:** Problem-Solving, Adaptability, Curiosity

PROJECTS

Portfolio Website | Python, DJANGO, HTML, CSS

July 2025

- Developed a fully functional portfolio website using Django, implementing backed logic, routing, and dynamic content rendering. Demonstrates strong understanding of MVC/MVT architecture and web development fundamentals.
- Designed a clean, modern, and responsive UI using HTML, CSS, and possibly Bootstrap, ensuring seamless experience across devices (mobile, tablet, desktop).
- Integrated dynamical features like contact forms, project showcase, and database handling, Successfully deployed the application (e.g., on PythonAnywhere/Render), showcasing real-world project delivery skills.

Auto Timetable Generator | HTML, CSS, JavaScript, C++, DSA

March 2025

- Developed a dynamic timetable generation system with teacher and section-based filtering, enabling users to instantly view customized schedules through an intuitive web interface.
- Implemented a structured timetable layout using HTML/CSS with color-coded subject indicators for clear visual differentiation and improved readability.
- Integrated JavaScript-driven filter logic to update timetable results in real time without page reloads, enhancing user experience and interaction efficiency.

TRAINING

- Data Structure and Algorithm Using C++ | LPU | [Certificate](#) June 2025 – July 2025
Implemented core Data Structures such as arrays, linked lists, Stacks, Queues, Trees, Graphs, and Hash tables in C++, improving algorithms problem-solving efficiency by 30%.
Solved 200+ DSA problems using advanced algorithms (DP, greedy, recursion), and optimized solutions through time- space analysis, improving performance and coding efficiency by up to 40%.

CERTIFICATES

- Privacy and Security in Online Social Media | NPTEL | [Certificate](#) January 2025 – April 2025

ACHIEVEMENTS

- Solve Problem on LeetCode – 200+ October 2025
- April 2025

EDUCATION

- Lovely Professional University Phagwara, Punjab, IN
Bachelor of Technology – Computer Science and Engineering
Since August 2023
- Mahatma Gandhi Inter College Gorakhpur, Uttar Pradesh
*Intermediate, **Percentage: 85%***
April 2020 – March 2022
- Siddharth Public School Siddharth Nagar, Uttar Pradesh
*High School, **Percentage: 90%***
April 2018 – March 2020
